All other pages

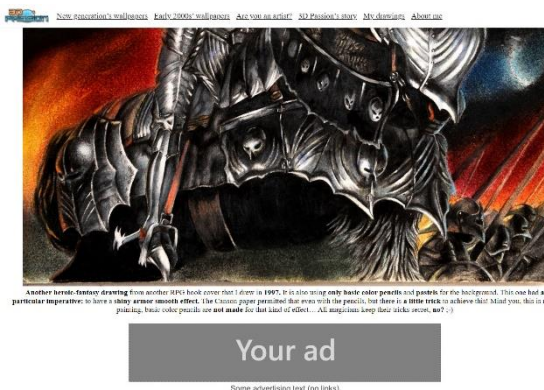

Type of ad: Bottom ad at bottom of content, above footer links. Text can be added under the ad, but no links allowed. **Pages excluded:** Contact, Advertise, Privacy Policy and Copyrights.

Image ratio: Square, Rectangle.

Max file sizes: JPG 50kb, GIF: 75Kb, PNG: 100kb

Max image width: 800px

Max image height: 600px

Another heroic fantasy drawing from another RPG book cover that I drew in 1997. It is also using only basic color pencils and pastels for the background. This one had a particular imperative: to have a shiny armor smooth effect. The Comics paper prohibited that even with the pencils, but there is a little trick to achieve that! Mind you, this is not a painting, but color pencils are not made for that kind of effect... All images keep their links active. 807 :)

Content rewriting

News section (news, press releases...). One complete rewriting / text content creation with outside links, or you provide a full custom news text specifically written for 3D-Passion.com of your news article / press release. **Please note that the content must be relevant to our audience. Allowed subjects: desktop customization tools or other customization apps, digital arts, arts, 3D/2D software, science-fiction, space, video games and their graphics features, graphics cards, mobile technology related to graphics. Please contact me at cedric@3d-passion.com if your subject is not there and you think may fit to 3D-Passion.com.**

Images allowed: yes

Links allowed: yes

Maximum words: 500

Languages: English, French.

Options:

Text link: €50 / month

A text link at the end of the footer links on all pages (two to three words, usually a brand / product / website name): €50 / month. **Only one position available.**

Additional news article: €50 / news article

This is the same requirements as the **Content Rewriting** of the full package (see above).

Full article or product review: €100 / full article

A full custom article about your product's launch or any other subject about your product / website / brand. This can be a full review as well (the product itself must be made available for free to be able to review it – a revokable license can be activated for example). You can provide text parts and / or give text direction if necessary.

Other people can take part in the review if I have access to them (customers, professionals). **For more information, please contact me at cedric@3d-passion.com.**
